

Yihang Du

☎ (+86) 156 · 2359 · 8559 | 🏠 yihdu.github.io | ✉ duyihangzjj@163.com

Education

Zhongnan University of Economics and Law(ZUEL)

B.S. in Statistics

GPA:3.85/4.0

Wuhan, China

Sep.2022 - Jun.2026(exp.)

Research Experience

The Chinese University of Hong Kong, Shenzhen(CUHK-SZ), School of Data Science

Research Assistant at [FreedomAI Lab](#), advisor: [Prof. Benyou Wang](#), [Dr. Yan Hu](#)

Research topic: Multilingual Multimodal LLM, Representation Learning in LLM

Shenzhen, China

Sep.2025 - Present

Emory University, Department of Computer Science

Research Assistant, advisor: [Prof. Xiaobo Sun](#)

Research topic: Foundation Model in Bioinformatics, Biostatistics

Remote

Feb.2025 - Aug.2025

Research Interests

- **Multimodal Language Models:** Multilingual, Mechanism, Representation Learning
- **AI4Science:** Foundation Model in Bioinformatics

Publications [\[Google Scholar\]](#)

†→ Equal contribution

- [1] [Y. Du](#)[†], J. Hu[†], S. Hou, Y. Ding, X. Sun. A Methodological Framework for Measuring Spatial Labeling Similarity. *International Joint Conference on Artificial Intelligence*. **IJCAI 2025**. **(Oral)**
- [2] K. Xu, [Y. Du](#), Z. Yu, J. Wang, X. Sun. Representation Learning for Non-Sequential Data via Causality-Induced Positional Encoding. *Conference on Neural Information Processing Systems*. **NeurIPS 2025**.
- [3] K. Xu, Y. Lu, S. Hou, K. Liu, [Y. Du](#), M. Huang, H. Feng, H. Wu, X. Sun. Detecting and Dissecting Anomalous Anatomic Regions in Spatial Transcriptomics with STANDS. **Nature Communications**, 15(1), 8223.

Preprints

- [1] J. Hu[†], [Y. Du](#)[†], S. Hou, Y. Ding, H. Wu, X. Sun. CEMUSA: A Graph-based Integrative Metric for Evaluating Clusters in Spatial Transcriptomics. **Bioinformatics** (*In Revision*, JCR Q1). [\[R Package\]](#) [\[Website\]](#)

Selected Awards & Honors

Outstanding Student Scholarship, First Class (Top 5%), ZUEL

2025

Outstanding Student Scholarship, Second Class (Top 10%), ZUEL

2023, 2024

Presentation

A Methodological Framework for Measuring Spatial Labeling Similarity

- Oral Presentation@IJCAI 2025

Guangzhou, China, Aug. 2025

Professional Skills

Programming Language Python, R, C++, SQL, Matlab

Tools & Skills Git, $\LaTeX$, Linux, PyTorch
